## 2 Overview

The **Provider Enrollment Portal (PEP) Enrollment Steps – Ordering, Prescribing and Referring (OPR) Providers Reference Guide** includes enrollment application instructions and notifications applicable to providers wishing to enroll in the Puerto Rico Medicaid Program (PRMP) using the Provider Enrollment Portal (PEP). In order to complete an application for enrollment as an OPR in the PRMP, you must complete all required enrollment steps and submit your application for review.

This document may be used in conjunction with training sessions or as a stand-alone reference resource.

Training participants are assumed to have general familiarity with navigating the internet, using computers, and understanding terminology such as icon, desktop, folders, tabs, browsers, search, toolbars, menus, mouse, hyperlinks, printing options, and save options. It is recommended for participants to bring note-taking materials such as writing utensils, a notepad, highlighters or sticky notes.

This document, along with other PEP training documents, is available in the Puerto Rico Medicaid Program (PRMP) Learning Management System (LMS). You can find it by going to the following link:

The Enrollment Process for an OPR consists of multiple steps that must be completed in order to accept and submit an enrollment application.

Each step is discussed in the following sections, including the panels and fields that must be completed.

**Agreement/Submit**

Access the tabs above to review all data that has been entered into the application. Changes can be made, **except for enrollment type and provider type**, by navigating back to the appropriate screen using the tabs in the table of contents. If the enrollment type and/or provider type selected is incorrect, do not submit the application. You must complete a new application for the appropriate enrollment and/or provider type.

The terms of the enrollment are stated below. You must accept these terms in order to submit the enrollment application for review and approval. Once the terms are accepted, and the application has been confirmed and submitted, a PDF version of the application is available for saving. If terms are not accepted, the application will be saved to return later (within 30 calendar days) to complete and submit the application. If not submitted within 30 calendar days, the application will be deleted, and the application process would need to be started from the beginning.

Once your application is approved, your information will be shared with the Medicaid Managed Care Organizations (MCOs)/Medicare Advantage Organizations (MAOs). Be aware that the MCO/MAO can contact you, or you may contact the MCO/MAO to pursue contracts with them. **This enrollment does not automatically establish a contract with an MCO/MAO.**
